

When World War 2 came to year 6!

This is what some children thought:

“It was very exciting and very enjoyable,” said Leonie and Isobel.

“It was fun to be learning about World War 2 while we were acting,” explained Miles.

“Ben was brilliant and his acting skills were great!” said Joseph.

“I was glad that the performance went well and it was a great day,” explained Ross.

“We liked the way Ben (the actor) joined in with us and everyone was included by saying some lines,” said Shannon and Emily.
